## ABOUT US

# Gebb Work

Gebb Work is located in Bento Gonçalves, in Serra Gaúcha. Founded in 2008, it is a consolidated company recognized in the national market as one of the main manufacturers of office furniture, being a specialist in this segment.

It has modern facilities in an industrial park with more than 40 thousand m<sup>2</sup> of area. We are present in more than 1000 points of sale throughout the national territory, and we have international operations in 8 countries.

The company sustainability policy is based on innovation, on the constant search to offer the

market the best cost-benefit ratio, flexibility and agility. Everything becomes possible because we have a team of Collaborators, Commercial Representatives and Suppliers who are committed to the company goals.

Our business purpose is clear and supported by the trusting relationships we build with our business partners.

“We believe that spaces inspire people.”

What defines Gebb Work is the incessant search for the satisfaction of each client.

To attest the confidence we have in our products and manufacturing processes, we offer a 5-year warranty to Gebb Work furniture clients.
