DEVEMOS CONSIDERAR A ÁREA TOTAL OCUPADA PELO CONJUNTO PARA EFEITO DE CÁLCULO E PROJETO.

SEGUE ABAIXO AS POSSÍVEIS MEDIDAS A SEREM EXECUTADAS:

220 X 130 | 200 X 120 | 180 X 110 | 160 X 100 | 140 X 80

LÓGICA DO CÁLCULO: AS MESAS SE ENCAIXAM COM UMA PERFEITA PROPORÇÃO, MAS PARA SABERMOS O TAMANHO DA CIRCUNFERÊNCIA DAS PEÇAS, DEVEMOS USAR A MEDIDA MENOR OFERECIDA NO CONJUNTO.

EXEMPLO: O TAMANHO TOTAL DE 220 X 130 POSSUI DUAS MESAS DE 130 Ø.

**WARRANTY:**

All products provided by Ville Art have a 5-year warranty period from the date of purchase.

The Company's obligation under this warranty is limited to the replacement of parts and components of products under the terms and conditions described below, which prove to be defective upon inspection carried out by professionals of the Company, verifying the existence of the alleged defect in material or workmanship.

Depending on the severity and extent of the problem the Company may choose to replace the damaged product with a new one. Ville Art reserves itself the right to replace the product within a maximum period of 60 days as provided for in the Consumer Protection Code.

**WARRANTY EXCLUSIONS:**

- 1) Damage caused during transportation or assembly of the product when not performed by the Company or by professionals designated to do so.
- 2) Wear and tear of parts due to intense use or damaged from exposure to weather conditions (weathering, moisture, salt spray, cold and intense heat).
- 3) Misuse, improper efforts, or any type of use other than that proposed by the Company for each product.
- 4) Defects or wear and tear caused by institutional use of products that are not explicitly indicated for that purpose.
- 5) Problems caused by improper installation or assembly contrary to any written instruction in the instruction manual, or problems related to adaptations and/or changes made to the product.
  - 5.1) Problems related to inadequate conditions of the place where the product was installed such as uneven floors, excessive moisture, weak walls etc.
  - 5.2) Mistreatment, carelessness, cleaning and/or maintenance in disagreement with the instructions given by the Company.
- 6) Damage caused by cleaning or repair services contracted by the consumer.
- 7) Damage caused by accidents, falls, attacks by pests or agents of nature.
  - 7.1) Oxidation or corrosion due to lack of cleaning, maintenance done with unsuitable products or exposure to weather, moisture, or salt spray.

**WARRANTY CLAIMS WILL ONLY BE VALID IF:**

8) Presentation of the sales invoice.

8.1) After a technical inspection of the product to verify the claimed defect carried out by the Company. To arrange that it is necessary to contact our Call Centre: 55 (54) 3292.3841.

The Company reserves the right to change the general, technical, and aesthetic characteristics, or to make improvements to its products at any time, without incurring the obligation to do the same in the products in stock or already sold.

For your peace of mind, keep this Warranty Term along with the Sales Invoice in an easily accessible place.

If you have any questions, do not hesitate to contact our Call Centre.

**BONDED LEATHER WARRANTY:**

The bonded leather used by Ville Art products has a 5-year warranty from the date of issue of the sales invoice. They should be protected from moisture and high temperatures, avoiding exposure to sunlight.

Maintenance: clean the bonded leather with a soft, dry cloth. Never use a sponge with an abrasive side or steel wool, or chemicals such as bleach, solvent, chloroform, ammonia, turpentine, remover, or any other type of acid.

**GUARDIAN MIRRORS WARRANTY:**

Guardian mirrors have a 10-year warranty from the date of purchase of the product against defects such as oxidation and stains. For more information, please visit: [www.guardianbrasil.com.br](http://www.guardianbrasil.com.br)

**FIXING THE DECORATIVE PANELS:**

The decorative panels have supports for fixing them in the vertical and horizontal directions, it is not necessary to request it.

**ADDITIONAL INFORMATION AND CARE:**

Cleaning of the parts can only be carried out with cotton flannels and alcohol. The alcohol should be applied to the flannel before rubbing it, do not spray alcohol directly on the mirror.
